WHAT IS SONG TEAM?

Song Team is a project that was created by brother and sister duo Neal and Lizzie Wright as a way to challenge our ability to write music. Each month, a new challenge is issued and those who wish to participate can write a song that follows the guidelines set forth and submit it to the site. At the end of the month, all of the songs will be posted for the community to listen to!

PAST CHALLENGES

MONTH 3: DRY (DON'T REPEAT YOURSELF)

Write a song that doesn't use any word (in the lyrics) or chord (in the instrumentation) more than once. You can use the same type of chord multiple times as long as it's not in the same key. For example if you used a C Major triad, you can use a G Major triad in the same song. However if you want to use another C Major, it can't be a triad (try a major 7, 6 chord, or inversion).

MONTH OF: October 2016

SUBMISSIONS: 104

MONTH 2: A CAPELLA

Your song can only include your voice and/or sounds made by your body. You can thump your chest, sing, beatbox, but all the sounds must be made organically by you!

MONTH OF: September 2016

SUBMISSIONS: 167

MONTH 1: DRONE ZONE

Your song must have a drone note that persists throughout the entire song, never changes, and is the first and last thing heard.

MONTH OF: August 2016

SUBMISSIONS: 123
